LADIES' LUNCHEON

Saturday Will Be Marked
by Event for Women,
Banquet and Ball.

Free automobile and special telephone service will be at the disposal of the editors who attend the annual convention of the Oklahoma Press association which opens with a smoker and theater party Thursday night.

Secretary E. O. Tibbels of the Chamber of Commerce is arranging with local dealers and garages to furnish ten or twelve brand new automobiles that will be designated by banner as "official press cars" on Friday and Saturday, the two principal days of the convention.

These cars will be at Convention hall at all hours of the day and any editor who wants to reach a certain point in the city without the delay may jump into one of the waiting cars and use it just as if it were his own machine. A list of the cars will be published in a day or two. Only the best makes of automobiles are being selected as press cars.

First Auto Trip.

Secretary Tibbels is also arranging to secure between fifty and one hundred automobiles for the trip to the fairgrounds Friday afternoon, when the editors and their ladies will be permitted to witness a small portion of the annual May festival of the city schools. An unusual spectacle is promised them.

The visiting ladies will be treated to an automobile tour of the city Saturday afternoon, immediately following a luncheon that will be tendered them at Hotel Tulsa. They will be returned to their hotels in time to rest on and the bare for the banquet and ball to be held at Convention hall Saturday night.

The Chamber of Commerce arranged for street decorations in honor of the Knights of Pythias convention now in session, and the U. S. R. A. S. W. B. encampment to be held next

KEEP THE KIDNEYS WELL

Health is Worth Saving, and Some
Tulsa People Know How to
Save It.

Many Tulsa people take their lives in their hands by neglecting the kidneys when they know these organs need help. Weak kidneys are responsible for a vast amount of suffering and ill health. The slightest delay is dangerous. Use Doan's Kidney Pills—a remedy that has helped thousands of kidney sufferers. Here is a Tulsa citizen's recommendation.

Mrs. L. H. McCarty, 510 South Frankfort, avenue, Tulsa, says: "Doan's Kidney Pills have been used in our home for dull, heavy pains in the back, lameness and soreness across the loins and trouble with the kidney secretions. This medicine has proved to be just as represented. I have seen what Doan's Kidney Pills will do and can cheerfully recommend them."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. McCarty recommends. Foster-Milburn Co., Props., Buffalo, N. Y.

Hundreds Coming.

Return postcards are being received by the dozens in every mail from newspaper men in all parts of the state and from representatives of printers' supply houses from New Orleans to Jersey City, stating that they will be here and enumerating the events of the entertainment program that they expect to participate in. The cards already received indicate that the attendance will be easily the largest in the history of the association.

MUSICIANS DONATE SERVICES TO VETS

Local Union Votes Unanimously to Contribute to Encampment.

INTEREST GROWING

G. A. R. and U. S. W. V.
Men From All Over State
Prepare to Come.

Desiring to lend their aid toward making the encampment of the Grand Army of the Republic and United States Spanish War Veterans, May 16, 17 and 18, a huge success, the musicians union of Tulsa, in an official meeting, unanimously voted to donate their services throughout the three days. Speaker after speaker declared the visit of the veterans to Tulsa on this occasion was an honor that should be appreciated by the local citizens, and every man present was anxious to have a part in the big reunion. A special concert will be given each day at some place to be designated by the encampment committee. The same band and orchestra that played for the musicians' ball a few nights ago will play for the military ball in convention hall on the night of May 17.

The military ball will be the principal social feature of the encampment and will be a brilliant affair. The floral decorations, which will be superb, will be placed in the hall by the park board.

The ball will begin promptly at 9:30 o'clock.

Old-Time Dances.

A feature of the evening will be old-time dance tunes by the celebrated Yukon Veterans' Fife and Drum corps, which will be here the three days of the encampment.

The "old boys" and their wives will enjoy one of the bygone day dances to the music of the fife and drum.

J. Hart Foster of Chandler, past department commander of the United States Spanish War Veterans, is in the city after a trip over the state and into Texas.

Mr. Foster said the encampment is the talk of the state. Every railroad crossing Oklahoma is advertising it by posters and small bills at every station. In addition to the widespread newspaper publicity, everywhere he went he was informed that veterans, young and old, were arranging to come to Tulsa.

Several are coming from as far south as Dallas, Texas.

Kansas will also be liberally represented at the encampment. Delegations will come from Topeka, Wichita, Independence, Coffeyville, Arkansas City and other points.

Arkansas Camps.

The Hot Springs and Fort Smith camps of United Spanish War Veterans will be represented.

The encampment program was completed and given to the printers today and will be ready for distribution Wednesday.

In addition to the events as announced there will be reunions of the First Territorial, Rough Riders and sixteen Pennsylvania regiments which saw service in the war with Spain.

ON TO CINCINNATI DAY IS TOMORROW

Local Rotary Club Will Ob-
serve the Occasion at
Wednesday Lunch.

The Rotary club of Tulsa will celebrate "On to Cincinnati day" at their regular meeting Wednesday noon. At the request of the convention executive committee every Rotary club in the United States and Canada will have a special discussion of the progress of the Cincinnati convention at its luncheon meeting during this week. According to the arrangements outlined by the committee, each Rotary club will be addressed by a former resident of Cincinnati or some visiting Cincinnati on the subject of the possibilities for entertainment at the 1916 Rotary convention city.

The entertainment committee has supplied each club with a complete program of both business and entertainment sessions and a resume of what other clubs in the United States and Canada are doing toward making the 1916 convention the biggest and most valuable in a business sense of any convention ever held by International Rotary.

At tomorrow's meeting the Rotary club of Tulsa will announce plans which it intends to perform at the convention. It will instruct its delegates to receive the matters of those who will participate in the golf and tennis tournaments, in the trade sectional meetings, in the model luncheons and glee club contests.

Every Rotary club will appear at the carnival at Cincinnati in some distinctive masquerade costume and each club will announce details concerning such costumes at Cincinnati day this week. In addition to these costume delegates and visitors to the convention will supply themselves with torches, lanterns, banners and noisemakers for the Rotary parade at Cincinnati on Monday night of convention week.

GRAND IS CLOSED UNTIL NEXT FALL

1915-16 Season Comes to
Auspicious Close; Plans
for 1917.

After the most successful season in its history, the Grand opera house closed the 1915-16 season following Sunday night's performance of "The Birth of a Nation."

Harry C. Bradshaw, lessee and manager for the past year, announced yesterday that he had renewed his lease for another season and was already booking attractions for next year, although the bulk of this work cannot be done for several months yet.

"We are well pleased with our first year in Tulsa," said Mr. Bradshaw yesterday, "and I want to sincerely thank Tulsa theater patrons for their support of the Grand during the term just closed. In the early part of the season we ran some very poor shows, but these were corrected for before the present management assumed charge and we had to play them. In the future, however, only first-class attractions will be shown at the Grand. I have booked a few shows and will go to New York early in August to complete my bookings for the coming year. I have found that Tulsans will liberally patronize any show of merit, but they positively will not fall for cheap shows. Therefore, I am going to give them the best."

The house record for the 1915-16 season is held by the D. W. Griffith spectacle, "The Birth of a Nation." Mr. Bradshaw stated. This picture played a total of 14 performances at the Grand, the first engagement in December and the second last week. The total box office receipts of the 14 performances was \$14,000. No other theatrical attraction in Tulsa ever equaled this record.

To Avoid Dandruff

You do not want a slow treatment when hair is falling and the dandruff germ is killing the hair roots. Delay means no hair.

Get, at any drug store, a bottle of Zemo for 25c or \$1.00 for extra large size. Use as directed, for it does the work quickly. It kills the dandruff germ, nourishes the hair roots and immediately stops itching scalp. It is sure and safe, is not greasy, is easy to use and will not stain. Soaps and shampoos are harmful, as they contain alkali. The best thing to use is Zemo, for it is pure and also inexpensive.
